

Idea bank - Plastic belt conveyors

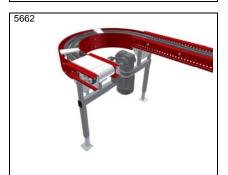

PL100 - Plastic modular belt conveyor with centre drive

conveyor

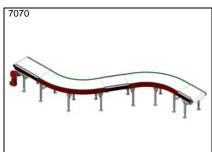

5298

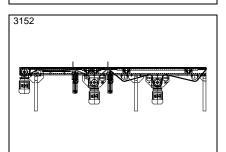

PL100 - Double plastic modular belt conveyors, Curves with different speeds

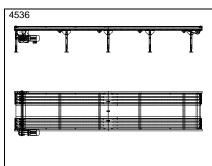

PL100 - Plastic modular belt conveyor with 180° curve

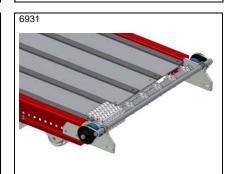

PL100 - Plastic modular belt conveyor with 45° curves

PL100 - Plastic modular belt conveyor with small radius idler rollers and pneumatical stops

PL100 - Plastic modular belt conveyor, 2-strings with small radius idler rollers

PL100 - Driven supporting roller between conveyors

PL100 - Plastic modular belt conveyor with manually tiltable end

PL100 - Plastic modular belt conveyor slave driven from the following adjacent conveyor

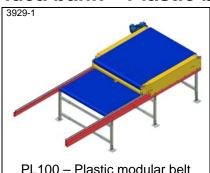

PL100 - Plastic modular belt conveyor with flights and 90° roller top for transfer of goods

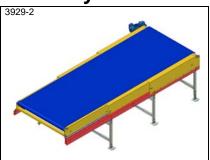

^{*} Datasheet available

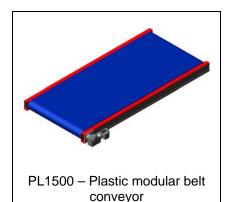

Idea bank - Plastic belt conveyors

PL100 - Plastic modular belt conveyor with telescopic extension, retracted

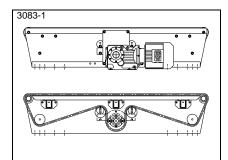

PL100 - Plastic modular belt conveyor with telescopic extension, extended

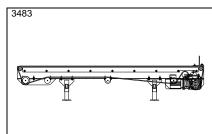

PL1500 - Plastic modular belt conveyor with centre and small radius (38 mm) idler rollers

PL1500 - Plastic belt conveyor with centre and small radius idler rollers

PL1500 - Plastic modular belt conveyor with small radius idler rollers, end mounted motor

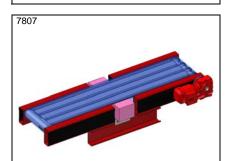

PL1500 - Plastic modular belt conveyor with small radius (20 mm) idler roller

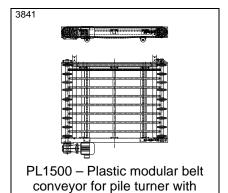

PL1500 - Plastic modular belt conveyor with undriven support roller between conveyors

7994

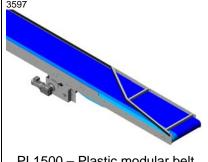

PL1500 - Plastic modular belt conveyor with recess for degaussing equipment

recess for lifting arms

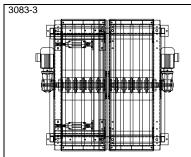

PL1500 - Plastic modular belt conveyor, buffer conveyor for jars and bottles

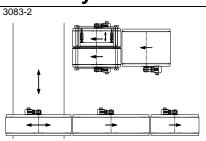

^{*} Datasheet available

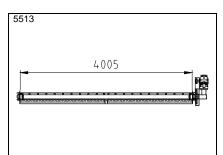

Idea bank - Plastic belt conveyors

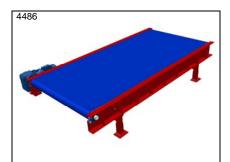

PL1500 – Plastic modular belt conveyor. Parallel conveyors of which one is movable sideways.

PL1500 – Plastic modular belt conv. Trays, side by side, are arranged in a row on transfer car

PL1500 – Plastic modular belt conveyor. Cooling conveyor, 4 m wide, 25 m long

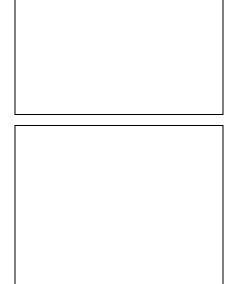

PL3000 – Plastic modular belt conveyor for heavy goods, end mounted motor

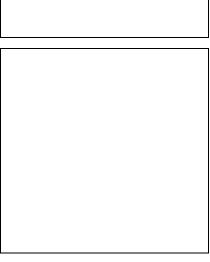

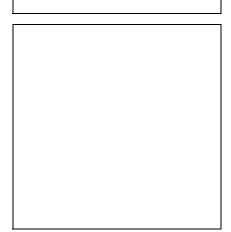

PL3000 – Plastic modular belt conveyor for heavy goods, centre drive

PL1500 Stainless – Plastic modular belt conveyor with 2 strings

S-270 21 Glemmingebro

^{*} Datasheet available
