

Idea bank - Timing and V-beltconveyors

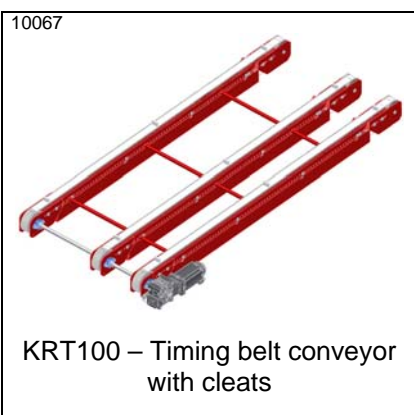

KRT100 – Timing belt conveyor

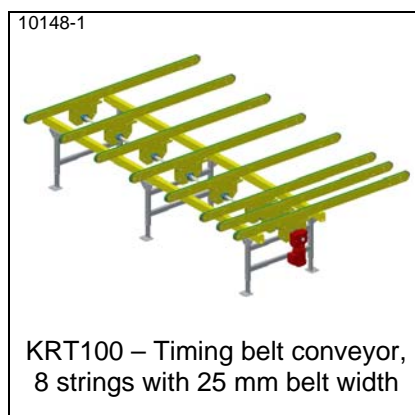

KRT100 – Timing belt conveyor with motor placed between strings

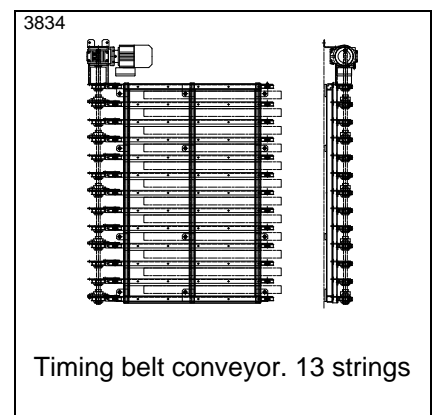

KRT100 – Timing belt conveyor with end mounted motor

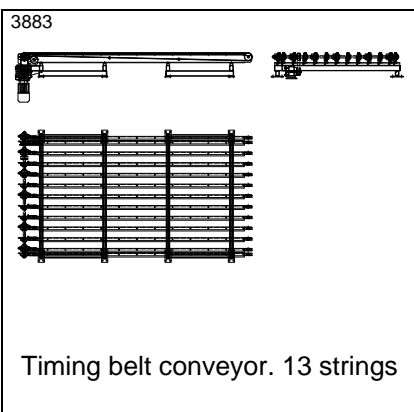

KRT100 – Timing belt conveyor with cleats

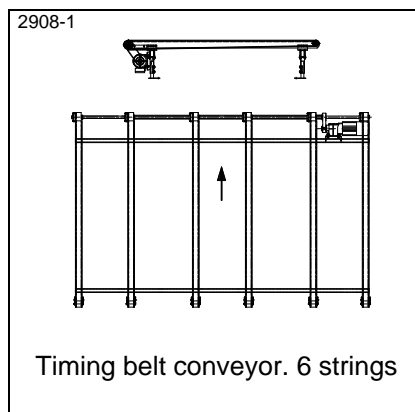

KRT100 – Timing belt conveyor, 8 strings with 25 mm belt width

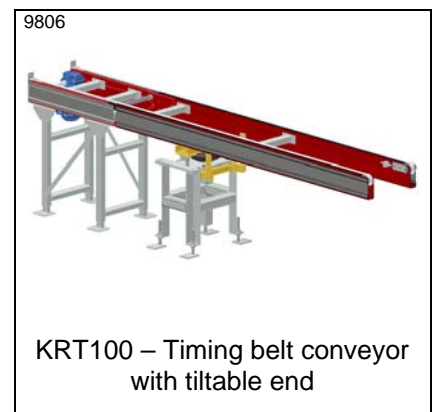

Timing belt conveyor. 13 strings

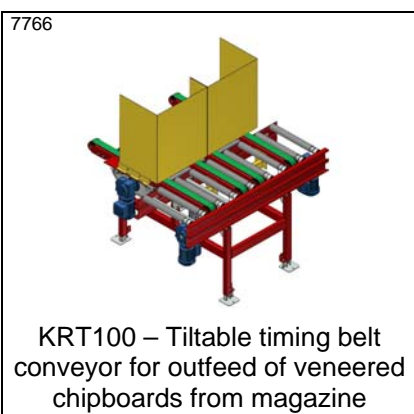

Timing belt conveyor. 13 strings

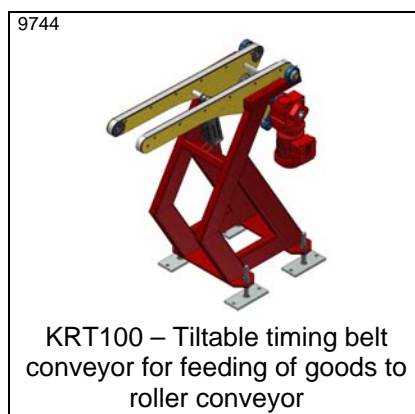

Timing belt conveyor. 6 strings

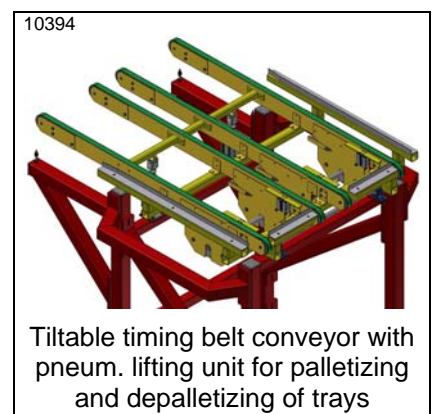

KRT100 – Timing belt conveyor with tiltable end

KRT100 – Tiltable timing belt conveyor for outfeed of veneered chipboards from magazine

KRT100 – Tiltable timing belt conveyor for feeding of goods to roller conveyor

Tiltable timing belt conveyor with pneum. lifting unit for palletizing and depalletizing of trays
